MISSION STATEMENT

In an ever changing world one constant remains, Americans must be viably employed to enhance their economic and cultural lifestyle. Suburban Truck Driver Training School's purpose and mission is to provide quality training and education in a skilled trade. This will provide career opportunities, job security and a steady income for years to come. It is our goal to put Michigan back to work in a dynamic industry one driver at a time!

FROM THE DIRECTORS OFFICE

Dear Students,

Our team would like to welcome you to Suburban Truck Driver Training School where we will provide you a quality and professional education. With over 100 years of combined training experience our staff is here to offer hope and equal opportunity to those we serve.

Suburban's programs have been designed with you and the public's safety in mind. Our system of training provides you with industry high standards while limiting your physical attendance to 16 - 18 days. Your time will be spent learning CDL preparation where we emphasize the importance of hands on instruction with our truck fleet. Over the years we have trained more than 6000 students and our instructors are here to encourage you and guide you along your training journey while maximizing your learning experience.

During your tenure at Suburban you will meet with our professional job placement department where endless career opportunities will be unveiled to those that qualify. We are in constant contact with carriers and industry professionals who will process your applications and ensure you the highest opportunity for success.

Welcome to Suburban Truck Driver Training School future graduate. WE look forward to serving and helping you achieve your career goals in the transportation industry. Start your career by contacting our Admissions Department today!

Respectfully,

Lara Dowdy
School Director
